

Kwiatkowski JL, Hamdy M, El-Beshlawy A, et al. Deferiprone vs deferoxamine for transfusional iron overload in SCD and other anemias: a randomized, open-label noninferiority study. *Blood Adv.* 2022;6(4):1243-1254.

In the Acknowledgments on page 1252, the following sentence is missing: "The authors greatly value the contributions of Mônica Verissimo, the principal investigator for Centro Infantil Boldrini in Campinas, Brazil, who led one of the highest-enrolling study sites and whose efforts were critical to the conduction of FIRST."
