

Oñate G, Bataller A, Garrido A, et al; CETLAM (Spanish Cooperative Group for the Diagnosis and Treatment of Acute Myeloid Leukemia and Myelodysplastic Syndromes). Prognostic impact of *DNMT3A* mutation in acute myeloid leukemia with mutated *NPM1*. *Blood Adv*. 2022;6(3):882-890.

In the first affiliation on page 882, “Department of Medicine” is missing immediately before “Autonomous University of Barcelona.” Also, the second paragraph of “Acknowledgments” on page 888 is missing the department of the same university and should read, “G.O. is a PhD candidate in the Department of Medicine of the Autonomous University of Barcelona, and this work is submitted in partial fulfillment of the requirement for a PhD.”
